**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a customer of Sonic Net in Marin County, CA and I am very happy with their service. We need these smaller local internet providers and less of the big behemoths who just charge more and destroy competition. Enough already with the unwieldy corporations. We don't need price hikes, which are sure to follow, and we don't need competition destroyed. The regulations should remain as they are.
